UNDERSTANDING THE DIRECTORY:

STATE/PROVINCE MAP

Dots and Numbers: Each dot on the state/province map represents a general area where one or more campground(s) is located. Please refer to the corresponding number in the table of contents either on the same page or page following the map to identify the city, campground name, and directory page number.

Tent Sites and Rental Accommodations: Directly right of some campground names in the state/province table of contents, you will see one or both of the following symbols: Δ and +. These symbols help you to quickly identify which campgrounds also offer the following to PA members: Δ =50% Off Tent Site Rate, and += Discounts (ranging from 10% to 50%) for Rental Accommodations (Cabins, Hotels, Cottages, etc). Please refer to the last section of the directory for details regarding all Rental Accommodations. Campgrounds offering 50% off of Tent Sites will have the rates displayed on their directory listing below the RV Site rates.

CAMPGROUND LISTING

Dots and Numbers: Each dot and number next to a campground's name represents its location on the state/province map. Please refer to the corresponding number on the map to identify the location.

Amenity Icons: For your convenience, we have included helpful icons to serve as a quick reference of each campground's amenities and services. You will find the **Icon Legend** on the following page.

Contact Information: Contact information for each campground including: physical address, phone number, e-mail (when available), and website (when available) is included in each entry. This information can be found on the left-hand side of each campground listing, just below the campground's name. In order to offer you the most information possible we have abbreviated the titles of each of these categories: **P=Phone, W=Website, and E=Email**

Directions and Locations: Each listing includes simple directions to the campground, a map and GPS coordinates of the campground location. The directions and map can be found on the right-hand side of the campground's listing following the abbreviation: **D**. The **GPS** is located under the address on the left-hand side.

Information and Important Campground Notes: Additional information regarding campground features and services not represented by an icon are listed in the **I=Information** section of the campground listing. Rules, any restrictions on the availability of the Passport America discount, and other important campground information are included within the **N=Important Campground Notes** section.

Rates: Each campground listing also includes regular nightly camping rates (for either RV or Tent Sites or both) directly next to the Passport America (PA) Rate.

SPECIAL NOTES

Additional Charges: There are some participating campgrounds in this directory that have felt it necessary to assess additional charges for some services due to circumstances beyond their control. We have attempted to point out those charges with an asterisk (*) so that you are fully aware of those charges in your decision when choosing a campground. We will continue to work with those campgrounds in a effort to ensure you receive the best value for your dollar. If you encounter a campground that has assessed you extra for services that we have not indicated in the directory, online, etc. we would love to hear from you.

GPS Coordinates: We ask for you to please notify us about any location that is incorrect. We will gladly make sure it is updated immediately online and in our next printed directory. Even though we feel that we have done our best to acquire these coordinates along with all of the information in our directory, we strongly recommend that you still pay close attention to the directory map and written directions provided. We also ask for you to please call us if you ever need any assistance with the information provided in the Passport America Directory. Please know that we are always very happy to help you!

Tips on Using the Passport America Membership

For the past 32 years, Passport America continues to pride itself in providing both members and campground partners alike with the best possible club that rewards everyone in the program! Here are a few tips on using the membership to make your stay more enjoyable.

- ✔ **IMPORTANT CAMPGROUND NOTES** – Please read the Important Campground Notes section in the campground's listing thoroughly before contacting the campground. Some participating parks have no limits on the amount of stay; however, some will let you stay monthly, some weekly, some for a few nights and some overnight for the 50% discount.
- ✔ **FOLLOW THE RULES** – Each campground has their own set of rules for specific reasons, including safety. Campground etiquette requires that you adhere to all rules without exception.
- ✔ **RATES** – As a Passport America member, you receive 50% off the nightly rate at participating campgrounds. The 50% discount is not applied to additional services offered at the campground (i.e. ice, propane, store, restaurant, etc.)
- ✔ **HONESTY IS THE BEST POLICY** – Some participating parks may assess additional charges for some services or extra guests, all due to circumstances beyond their control. These are listed for your courtesy and should be paid in an honest manner (see Special Notes for more information).
- ✔ **RESERVATIONS** – Many campers like to plan ahead and most parks accept reservations. Be courteous when making reservations, as last minute changes may affect the campground's system. Please note, some parks may require reservations. Members should check with each park for availability.
- ✔ **PAYMENT** – Parks set their own nightly rates and may choose to accept only cash for payment at the discounted rate. Please check the notes in the park's listing. Also, each park has their own refund policy. Please check with the park directly for more information.
- ✔ **CHECK IN/OUT ON TIME** – Like hotels, campgrounds and RV Parks have check in/ out times. If you need a short extension, please make the request as early as possible.
- ✔ **LATE ARRIVALS, EARLY DEPARTURES** – Always call if you're not going to make your reservation. If you arrive late at a park or depart early, try to keep it to a minimum. Parks set office hours to better serve you, the camper.
- ✔ **BE A GOOD RV NEIGHBOR** – Campers and campground staff members are some of the friendliest people you will meet. Be friendly, have fun, and always respect your camping neighbor's space.
- ✔ **KEEP IT CLEAN** – Always leave your campsites as clean as you find them. If a pet joins you, make sure they are picked up after.
